Clearance and Ex Hire Sales List

		Specification	Price	Cond
DJ EQUIPMENT		**Pioneer EFX 500 Effects Unit** You can expand the digital sound world by connecting this machine to your mixer, player, and electric instruments. Complete with leads and Manual. Includes Flight Case. (Manual Included)	£210.00	3
DJ EQUIPMENT		**Technics SLDZ1200** The SLDZ1200 features a rotating direct drive platter, MP3 playback, SD card playback, SD card memory for loop and cue points, sampler and digital output.	£450.00	3
DJ EQUIPMENT		**Allen & Heath Xone 62 Mixer** Professional 6-channel DJ mixer. The Xone: 62 revolutionized club sound systems when it was launched, and quickly established itself as the mixer of choice for many of the world's greatest DJ's and clubs. The universal favorite is renowned for its superb audio quality, phenomenal VCF filters and creative 4-band EQ. 3 available	£450.00	3
DJ EQUIPMENT		**Allen and Heath Zone 32 Mixer** Professional DJ 3-channel mixer has a feature set that is second-to-none at this level. The famous Xone VCF is included, with high-pass, band-pass and low-pass filter switching, resonance control and tap programmable low frequency oscillator, while all filter settings can be saved to any of four digital recall setting (DRS) memories giving unprecedented control over the music (Manual Included)	£275.00	3
MIXERS		**Behringer Eurorack MX602A Compact Mixer** 2 mono and 2 stereo channels each sport a complete 3-band EQ with 15 dB of boost/attenuation. First-class audio quality, an auxiliary path, a stereo aux return 2-track input/output, precise LED level meters, and a phones output.	£85.00	3

AMPLIFIERS		**Crest Audio CA6 professional power amplifier** 8ohm Stereo Power : 350W 4ohm Stereo Power : 500W 2ohm Stereo Power : 600W 8ohm Bridged Mono Power :1000W 4½ Bridged Mono Power : 1200W Net Weight :19.98 kg. 2 available	£250.00	3
AMPLIFIERS		**Crest Audio CA9 professional power amplifier** 8ohm Stereo Power : 550W 4ohm Stereo Power : 800W 2ohm Stereo Power : 900W 8ohm Bridged Mono Power :1600W 4½ Bridged Mono Power : 1800W Net Weight :21.33 kg.	£295.00	3
AMPLIFIERS		**PSS 1000W Amplifier** Power at 8ohm:2 x 300W Power at 4ohm:2 x 500W Weight:17kg	£150.00	1
OUTBOARD		**DX 24 Plus loudspeaker digital processor** 40 bit resolution DSP, together with low-noise 24 bit converters 2 inputs and 4 independent outputs Can be configured as 2-way stereo, 3- and 4-way mono 2 input signals to be summed and routed to different outputs Delay line, 5-band parametric EQ Crossover HP and LP filters which can be selected from the Bessel, Butterworth and Linkwitz-Riley types with slopes up to 48dB Phase control with 5° steps through a full 360° Digital Compressor/Limiter, Level and Mute control **(Manual Included)**	£250.00	3
OUTBOARD		**DX 26 Plus loudspeaker digital processor** 40 bit resolution DSP, together with low-noise 24 bit converters 2 inputs and 4 independent outputs Can be configured as 2-way stereo, 3- and 6-way mono 2 input signals to be summed and routed to different outputs Delay line, 5-band parametric EQ Crossover HP and LP filters which can be selected from the Bessel, Butterworth and Linkwitz-Riley types with slopes up to 48dB Phase control with 5° steps through a full 360° Digital Compressor/Limiter, Level and Mute control **(Manual Included)**	£280.00	3
OUTBOARD		**XTA DP200** (Manual Included) 2 input, 4 output multi-mode format featuring a choice of 2 way / 4 way/ 3 way + Sub Crossover, dual 16 / quad 8 band parametric equaliser and dual14 / quad 5 band parametric equaliser with limiters. Double Precision processing plus 40 bit internal data path for exceptional dynamic range and sonic quality. Variable High and Low pass filters for each output can be set for 12, 18 and 24dB / octave slopes and a choice of Bessel, Butterworth or Linkwitz-Riley responses are available. Independent control over High & Lowpass functions allows asymmetric crossover functions to be realised.	£450.00	3

OUTBOARD		**Martin EMX 1A System Controller** Martin EMX 1A Crossover/System Controller	£100.00	3
OUTBOARD		**Behringer MDX1600 Autocom Pro-XL** Compressor/Gate/Limiter/Expander/Enhancer	£60.00	3
		Pro 1066 2 channel Gated Compressor/Limiter	£55.00	3
OUTBOARD		**Sabine Graphi-Q** The Graphi-Q combines six indispensable audio products into one very affordable, all-digital package — with an easy-to-use hands-on interface! With the touch of a fader you can shape your frequency response using the Graphi-Q's 31-band digital graphic EQ. Need more control? Use the parametric EQ to control your filter width, depth and frequency. Time align your speakers with the digital delay. Manage your system gain with the Graphi-Q digital compressor/limiter. Finally, add 3 to 9 dB extra gain and automatic feedback control with Sabine's patented FBX technology.	£550.00	3
OUTBOARD		**Sony CD Player**	£30.00	3
OUTBOARD		**Sony Minidisc Player**	£40.00	3

SPEAKERS		**Community MVP15M two-way stage monitor Speakers 2 available** Dyna-Tech Dynamic HF Driver Protection, Internal crossover Program Power: 200W continuous, 500W Program Nominal Impedance: 8 Ohms Max SPL: 117 dB SPL : LF Driver: (1) 15" Frequency Response: 70 Hz - 16 kHz HF Dispersion: 90 degrees Horiz, 40 degrees Vert Inputs: (2) 1/4" jacks, (2) Locking Speakon Connectors Covering: Carpet : Weight: 41 lbs Dimensions: Height: 23.4" - Width: 17.5" - Depth: 15" - Front slope is 35 degrees	£90.00 each	3
SPEAKERS		**Dare Professional Audio Sound System** 6 x Micro 12 Mid/Top Enclosures Electro-Voice Loaded 1 x 12" Power : 500Watts, Impedance : 8ohm 2 x DC600 Bass Bins JBL Loaded 1 x18" 600Watts Impedance : 8ohm Brackets Included	£1,875.00	3
SPEAKERS		**Outline Sound System** 3 x genius 5 system controllers 4 x Doppia II P 9075 (Bi-amped Passive) – two hybrid loaded 12" woofers, one 10" midrange loaded by a wave-guide horn, one HF compression driver. (90°x75°) 3 x Doppia II P 5040 (Bi-amped Passive) - two hybrid loaded 12" woofers, one 10" midrange loaded by a wave-guide horn, one HF compression driver. (50°x40°) 2 x SubTech 218 (Bi-amped Passive) – two 18" long-throw woofers. 1500/6000 Watts AES continuous/peak 2 x Omni Plus – 12" mid driver, 1" compression driver (90°x60°) 250W	£16,000.00	4
SPEAKERS		**Logic System CS1296** 4 x CS1290SB Sub Bass – 1000W (Single 18" Bass Cab with castors) 4 x CS1290B Mid Bass – 1000W (Twin 15" Push/Pull Cab with castors) 4 x CS1296 Mid High – 400W (Single 12" and 2" Compression Driver) 2 x 14U racks each contain: 1 x DBX 215s Graphic, 1 x DBX Drive Rack PA system controller, 1 x Chevin A1000 Amp (600W per ch.), 1 x Chevin A6000 Amp (3000W per ch.) & 1 x 32A Power Distro. All cabling supplied with Neutrik connectors. This system is in fantastic near new condition & been well looked after.	£17,000.00	3
SPEAKERS		**Electro-Voice MT4-MT2 Sound System** 2 x MTH-4 (MB 8 X 10"/MF/HF 8 x 2" Compression Drivers) 2 x MTL-4 (BASS 8 x 18" woofers) 2 x MTH-2 (MB 4 x 10"/MF/HF 4 x 2" Compression Drivers 2 x MTL-2 (SUBBASS 4 x 18" woofers) 4 x Crest 8001 Amplifiers DX34 System Processor, DX38 System Processor Allen and Heath GL3800 32 Channel Desk 6 xTour x 15" Monitors 3 x Ohm 2400 Amplifiers/Monitor Rack	£24,000.00 call for more info	3
SPEAKERS		**Dare Professional DR15 Bass Bins** Electro-Voice Loaded 1 x 15" Power : 400Watts. Impedance : 8ohm Connection : Neutrick (Input 1+ 1- NC 2+ 2-) Finish Black Paint	£260.00 Pair	4

SPEAKERS		**JBL P744 Subwoofer** JBL Loaded 1 x 18" Power : 600Watts. Impedance : 4ohm Connection : Neutrick (Input 1+ 1- NC 2+ 2-) Finish Black Paint	£280.00 Pair	5
LIGHTING		**Opti GoBoShow Slide Projector** The OPTI GoBoShow is a compact and stylish effects projector. The 150 watt metal halide lamp has an average life of 9000 hours and projects bright clear images for long periods. Comes with a 85mm lens which projects up to 7m and Slide wheel. xtra attachments available separately. Used worldwide in retail and brand reinforcement applications. The unit has only been used once and in as new condition.	£499.00	1
LIGHTING		**EVL Mad Scan** DMX 512 - 6 Channel Fixture (Manual Included) Stand alone sound to light preset Master and Slave feature 1 x Rotating colour wheel 10 colours + Open 1 x Rotating Gobo wheel 12 gobos 250w MSD lamp Fast Pan And Tilt Mirror Strobe Weight :11kg Each	£650.00 for Four	3
LIGHTING		**Robe AT Moving Head package** 4 x 250 Spot AT (includes spare gobo's) 4 x 250 Wash AT 2 x 575 Spot AT (includes spare gobo's) Includes flightcases. Only been used once, in as new condition.	£14,200.00	3
LIGHTING		**Kam LED Cans + Batton** 1 x LED800S Mk2 LED Batton (New Boxed) 2x LED Par64M (New Boxed)	£100.00	1
LIGHTING		**LED Mood Globe and Cube** 1 x LED Controller DMX 512 - 4 or 48 Channel Stand Alone Preset Programs Sound to Light Plug and Play 2 X Mood Globe (81 high power LED`s)RGB changing colours IP66 indoor/outdoor housing 2 X Mood Cube (81 high power LED`s)RGB changing colours IP66 indoor/outdoor housing	£175.00	1

LIGHTING	 	**Short Nose PAR56 & Controler** 8 x Short Nose PAR56 lights on T-Bars - Black 300W lamps 1 x NJD Logic 8000s controler	£180.00	4
LIGHTING		**Short Nose PAR56** 4 x Short Nose PAR56 lights - Chrome 300W lamps	£60.00	4
LIGHTING		**PAR38** 1 x PAR38 light 80W lamp	£10.00	4
LIGHTING		**PAR56** 1 x PAR56 light 300W lamp	£10.00	4
LIGHTING		**2 x Diablo LG (New Boxed)** Silk Height 1200mm + 400mm Machine Height = 1600mm £180.00each **2 x Diablo LG (ex hire)** Silk Height 1200mm + 400mm Machine Height = 1600mm £80.00each **3 x Diablo Deco XL (ex Hire)** Silk Height 1800mm + 500mm Machine Height = 2300mm £120.00each		
LIGHTING		**Smoke Stream Junior Smoke Machine** 2,500 cubic feet per min smoke output 400-watt heater 0.25-liter fluid tank Wireless remote control 4- 5 minute heat-up time Quiet operation Fluid level indicator Mains indicator Thermal fuse protected Fluid drip tray installed Smoke ejection: up to 1 meter approx	£30.00	4

LIGHTING		**Kam Star Cluster Laser** **2 x Available** 140mW green and Red laser, Multiple green/Red laser points Animated patterns 70+ degree beam angle Sound to light, Stand alone or DMX512 Built in Black out Function Cooling system: forced fan Key Switch -New Boxed	£169.00 Each	1
